

## **Detailed Work Summary / Impact Note**

My work through pageantry focuses on promoting confidence, self-belief, and empowerment among women. Being crowned **Mrs. Raigad 2024 (Top Category Title)** and achieving **1st Runner-Up at Mrs. Navi Mumbai 2024** allowed me to represent values of discipline, grace, and resilience. These platforms enabled me to inspire women to overcome self-doubt and societal limitations.

Winning the **IFIA Mrs. India 2026** title on **10th January 2026 in Mumbai** marked a significant milestone, providing a national platform to encourage women to invest in personal growth and leadership. Through my journey, I aim to break stereotypes surrounding married women and age barriers, demonstrating that success and confidence can be achieved at any stage of life.

Overall, my impact lies in using pageantry as a medium to motivate women to embrace their identity, pursue excellence, and contribute positively to society with confidence and purpose.
