Subject: Recommendation for Young Researcher Award – P JEYAKANI

Dear Members of the Selection Committee,

It gives me immense pleasure to recommend **P JEYAKANI** for the **Young Researcher Award**. I have had the opportunity to work with her as her **Assistant Professor** at **St. Joseph's Institute of Technology** for the past **4 years**, during which I have closely observed her academic progress, research capability, and professional commitment.

P JEYAKANI has demonstrated exceptional research skills and scientific curiosity throughout her academic journey. She has **published 7 research papers**, including in reputable journals, and has successfully **published 1 patent**, reflecting her innovation and dedication towards impactful research.

In addition to research, she has contributed significantly to the academic environment through **4 years of teaching experience** in an engineering institution. [His/Her] ability to simplify complex concepts, guide students effectively, and maintain discipline in the classroom has been noteworthy. **P JEYAKANI** shows a well-balanced blend of technical knowledge, creativity, leadership, and strong work ethics.

Her sincerity, motivation, and consistent performance make her a deserving candidate for this prestigious award. I strongly believe that this recognition will further encourage [him/her] to pursue advanced research and contribute meaningfully to the academic community.

I wholeheartedly recommend **P JEYAKANI** for the **Young Researcher Award** without any reservations.

Please feel free to contact me for any further details.

Sincerely,
Head of the Department / IT
